Hide Details

From: "Hathcock, Alison M." <hathcoam@dhec.sc.gov>

To: Jack Hwang/R3/USEPA/US@EPA,

That would be fine. Tuesday or Wednesday will be good.

Alison,

At the ASTSWMO /EPA meeting this morning, Mahesh mentioned you're the one compiling the "case studies" for the ASTSWMO doc.

It's would be valuable to us (Biofuel Team) if you can share your draft with me at your earliest time. Because we can learn from that to look for good candidate sites for the failure analyses research project.

Can we talk about it next week? say 9/5 Thanks. Jack
